## KEYNOTE

### DESCRIPTION

Our keynote explores the **Diversity-Informed Tenets for Work with Infants, Children, and Families (Tenets)** as a framework for fostering diversity, equity, and inclusion in our work. Rooted in the belief that just and equitable services for children and families begin with self-reflection, this session guides participants through a journey of awareness—encouraging them to examine personal beliefs, values, and privileges that shape their practice.

Through shared language and vision, participants are invited to discover how the Tenets can serve as a call to action within their unique areas of focus, helping them recognize and address disparities in the systems and communities they impact. This keynote is designed to inspire and equip professionals to create more mindful, equitable, and inclusive relationships in their work and beyond.

### PRICE

**Keynote price:** \$450

#### Additional cost(s):

- \$100 - Tech Manager (optional)
